Performance Score Distribution of Loan Officers

Performance Score blends a loan officer's quality, volume, and efficiency into one metric by rewarding strong close rates and higher production while reducing points for fallout and extensions.

Extension Rate by Detailed Reason

Extension Reason ● (Blank) ● Appraisal Delay ● Borrower Delay ● Rate Shopping ● Title Issues ● Underwriting Conditions ● Loan Officer Extension%

Loan Officer Extension Performance Score

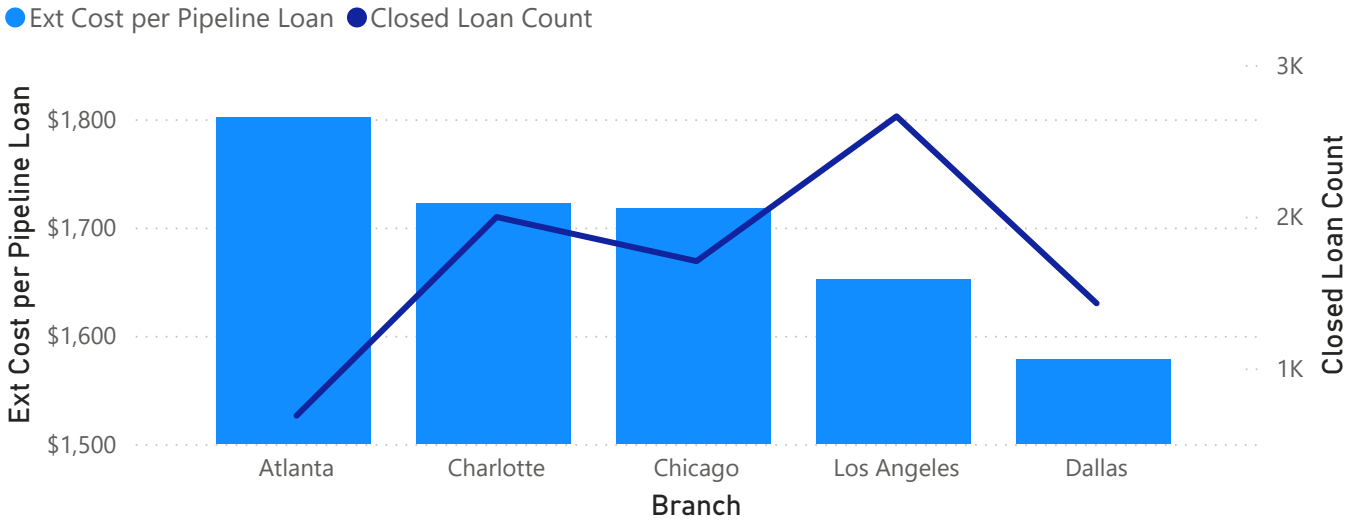

The Extension Performance Score measures how efficiently a loan officer manages extensions by combining their extension rate, the frequency of extensions, and the cost impact into a single standardized 0–100 score.

Loans with 3+ Extensions

Loan Officer	Loans With 3+ Extensions	Number of Extensions	Added Extension Cost	Top Extension Reason
